PwC's standard practice is to treat certain expenses as having been incurred when such obligations are recorded and reflected as payable in PwC's accounting system. Accordingly, reimbursement for certain disbursements sought in connection with this statement may be on account of expenses incurred during the prior fee period.

PwC's standard practice is to treat certain expenses as having been incurred when such obligations are recorded and reflected as payable in PwC's accounting system. Accordingly, reimbursement for certain disbursements sought in connection with this statement may be on account of expenses incurred during the prior fee period.

PwC's standard practice is to treat certain expenses as having been incurred when such obligations are recorded and reflected as payable in PwC's accounting system. Accordingly, reimbursement for certain disbursements sought in connection with this statement may be on account of expenses incurred during the prior fee period.

PwC's standard practice is to treat certain expenses as having been incurred when such obligations are recorded and reflected as payable in PwC's accounting system. Accordingly, reimbursement for certain disbursements sought in connection with this statement may be on account of expenses incurred during the prior fee period.

PwC's standard practice is to treat certain expenses as having been incurred when such obligations are recorded and reflected as payable in PwC's accounting system. Accordingly, reimbursement for certain disbursements sought in connection with this statement may be on account of expenses incurred during the prior fee period.
